

# ASK ME ANYTHING

## SAS Statistics & SAS Viya

### WEEKLY LIVE ANALYTICS Q&A WITH CRESCO EXPERTS

Join Cresco for a weekly live AMA session focused on SAS Statistics and SAS Viya.

Whether you're working on traditional SAS analytics or modernizing on Viya's cloud-native platform, our experts are here to answer questions, solve problems, and demonstrate best practices.

Bring your workflows, challenges, and ideas. We'll help you get more out of both SAS ecosystems.

#### What You Will Gain

- Live answers to your SAS Statistics & SAS Viya questions
- Step-by-step help with procedures, modeling, tuning, and workflows
- Demos showcasing Viya's advanced capabilities
- Migration guidance for SAS 9 → SAS Viya
- Best practices for analytics, automation, and cloud deployment
- Open discussions and hands-on support from Cresco experts

#### Join the AMA Session
