IBM SPSS STATISTICS

LIVE WEEKLY CUSTOMER SESSION

OVERVIEW

Cresco invites you to an ongoing live Q&A series dedicated to helping IBM SPSS Statistics users get more value from the platform. Whether you're troubleshooting, upgrading, exploring new features, or optimizing workflows, our experts are available to answer your questions in real time.

WHO SHOULD ATTEND:

- New SPSS users
- Analysts and researchers
- Customers exploring advanced features
- Teams needing workflow guidance
- Anyone evaluating SPSS for their organization

What You Can Expect:

- Live Q&A with Cresco SPSS experts
- Quick demos & step-by-step guidance
- Best practices for data management, analysis & reporting
- Help with licensing, setup, upgrades, and troubleshooting
- Direct support for real customer scenarios

Schedule:

Time: 01:00 PM CST

Frequency: Weekly (Every Thursday)

Format: Live Microsoft Teams session

Duration: 30 minutes

Join as often as you like.
